Subject: Failure to Abate Cessation Order CO-2015-17-10 Company, Penney's Gemstones, LLC,
Lucin Variscite Mine, S/003/0034, Box Elder County, Utah

Dear Mr. Penney:

On November 18, 2015, the Division of Oil, Gas and Mining issued cessation order MC-20150-17-10 to you for failure to provide

1. Adequate reclamation surety (increase surety by \$13,900.00 for a total surety amount of \$23,900.00) by December 31, 2015.
2. A completed reclamation contract by December 31, 2015.

On December 21, 2015, the Division sent you a proposed assessment for a civil penalty in the amount of \$3,850.00. The required abatement has not been completed, and the fine has not been paid. The proposed assessment was not appealed; therefore the assessed penalty is finalized at \$3,850.00.

In addition to the above fine, please note that for failing to abate the violation within the time specified in the cessation order, as per rule R647-7-103.4, the civil penalty has been increased by a minimum of \$750.00 per day for each day past the abatement date that the violation continued unabated for 30 days. As a result, a separate fine is being issued in the amount of \$22,500.00.

Please remit the above fines within 30 days of this letter. You may contact me at 801-538-5261, or Wayne Western at 801-538-5263 should you have any questions regarding this letter. Thank you for your prompt response to remedy this situation.

Sincerely,

Paul B. Baker
Minerals Program Manager
